Preschool Happenings

Preschool Holiday Schedules in January

Wee Care Preschool provides care included in tuition during school age holiday breaks. Wee Care Preschool will follow a "holiday schedule" on these dates to ensure that our preschoolers in attendance enjoy their time with us, and not feel impacted by the historically low enrollment due to travel and family visitors at holiday times in the year. The program times, daily schedules, and routines will be maintained, but the classrooms will combine according to ratios providing our preschoolers with a sense of community, and enjoy holiday activities throughout the day.

January Open House & Parent Referral Program

January 18 8:30 AM-11:30 AM

Wee Care Preschool is having an open house for perspective families to tour the preschool, see children in action, and meet and greet with the director. Families who attend the Open House receive 50% off registration fees at time of enrollment.

We want to honor our enrolled families who share the great news about Wee Care Preschool to family, friends, and the community with a \$100 Tuition Credit celebrating the "word of mouth" recommendations. Pick-up a flyer at the Wee Care Preschool Office to participate.

Preschool Progress Reports

January marks the middle of our school year that began in August. Each classroom will be providing our families a progress report on their child specifically measuring developmental markers related to each age group. We use the reliable *Ages and Stages* tools to determine your child's developmental progress.

School Age Happenings

Cougar's Room

We are excited to offer our Wee Care School Age students their very own classroom. School Age before and afterschool care is now located in the Cougar's Room. The Cougar's Room has been equipped with school age materials for Homework Club, Games, Toys, and Friday's Movie Day. The Monkey's classroom will only be utilized in the late evenings as ratio decreases.

WVCA Basketball Season

WVCA Girl's and Boy's Basketball Season has started. Wee Care School Age students attend home games as a measure to celebrate school pride, cheer on our friends, and enjoy the full elementary and middle school experience.

JAN 21 School Closure Day

WVCA is closed on JAN 21 in observance of MLK Day.

Wee Care Families are provided full day care inclusive of meals and extended care on School Closure days with registration required to guarantee care.

All students must be at Wee Care by 9:30 AM, and by 8:30 AM if you want them to participate in breakfast.

Please return the JAN 21 Registration Form to the Wee Care Office by **JAN 11**.
