Fall Art

In addition to the after school basics like snack and homework, our Cougar Club students also participate in art activities. As we enter the Fall Season, the Cougar Club Teachers will be offering a variety of creative arts and crafts. Check your child's Cougar Club file periodically for your take home art, and find opportunities to peek in the Cougar Club to see it all on display.

Cougar Club Sports Participation

We participate as audience members to home games through out the school year. Our hope is to provide students exposure to a variety of sports, spark interest, encourage school spirit, cheer on our peers, and enjoy an authentic school experience.

Pick-up Line

Please make sure to let your WVCA Teacher or the office know when your child will be in the pick-up line. Cougar Club partners with WVCA to ensure all of our students are accounted for and where they should be after school. Your partnership and communication is key to their safety.
