PRESCHOOL - 8TH

## Cougar Club December 2019

**Building a High Christian Character:** WVCA Child Care-Cougar Club continues the efforts of WVCA to instill high Christian Character traits through acknowledging and encouraging behavior that is a positive impact on the peer community.

Our Cougar Club Middle School students have been demonstrating their high Christian Character by reading with our Cougar Club Elementary students. These moments have blessed our big kids with leadership and modeling opportunities, while our younger students are receiving enriched time with reading leading to further interest and engagement with books.

**We will be holding a Book Exchange this month for the students. Teachers will provide details as the activity approaches.**
