Valentine Carnation Sale & Classroom Parties

Each year we sell carnations in the school office that will be delivered on Friday, FEB 14 to friends, teachers, and administrators. This is a friendly and easy way to show your love and appreciation on Valentine's Day. Carnation sales will be held **FEB 11 and 12** for \$1 each.

How it works: Parents purchase a tag, and write the "to" and "from". On FEB 13 volunteers will help put the tags on up to 400 carnations to be delivered to classrooms and offices Preschool through 8th Grade on FEB 14. We would love parent volunteers to help tag the flowers. Please see the preschool office if you are interested in helping out.

Valentine's Day will be celebrated uniquely in each classroom. Please check in with teachers for details.

All proceeds of the Carnation Sale go to Teacher Appreciation Week activities.

Priority Re-Registration is Out

All students were provided a Priority Re-Registration document outlining their individual transition plan for next school year set to begin June 1.

Please make sure to check your child's classroom file for the information that includes classroom placement, teacher, program information updates, as well as our Summer Curriculum Plan.
