Welcome Back to School!

Happy New Year! Let's *Rejoice and be Glad*, like the scripture tells us. The Lord has given us a new day filled with possibilities, and while we leave behind a tough year, we are only called to take one day at a time. I pray this scripture can encourage you to remember that while we may not always understand God's plan, or appreciate His timing, He is faithful.

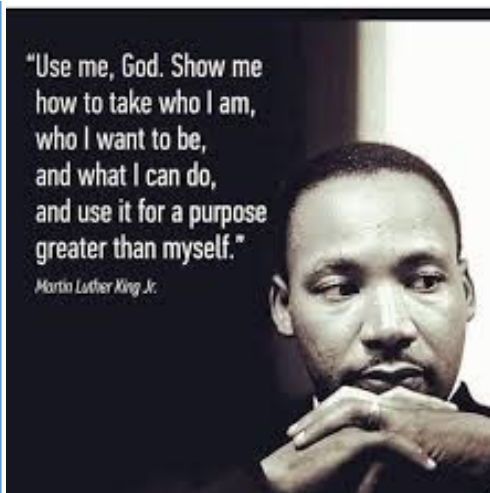

WVCA Preschool is grateful to each of our families. We look forward to our partnership in the care and education of your children. We recently sent out a **Parent Feedback Survey** in hopes of incorporating your insight into the year to come, and program development. You are why we exist, and we value your input as we prepare for next school year.

Re-Enrollment is right around the corner. Each year in January we provide our currently enrolled families priority re-registration for the following school year scheduled to begin June 1, 2020. If your child will be entering Kindergarten next year, we will also provide an enrollment packet for you. Keep an eye out this month for those important documents, and email to links.
