

WEST VALLEY CHRISTIAN ACADEMY

PRESCHOOL - 8TH

Loving for today . . . Learning for tomorrow . . . Living for eternity!

**St. Jude Children's
Research Hospital**
Finding cures. Saving children.
ALSAC - DANNY THOMAS, FOUNDER

We raised \$1800

Thank you all for donating and participating in spreading awareness and financial support to the children of St. Jude.

Through this experience, our students learned about caring for others, that they have the power to impact their world right now, and important bike safety tips.

Kona Ice Truck

The Kona Ice Truck will be visiting our campus this month on July 17 for an afternoon refreshing treat.

The children get to create their own combination of flavors.

We are looking forward to sending home rainbow smiles.

JULY 2019

Important Dates

July 4

**CLOSED
Independence Day**

July 17

**Kona Ice Truck Visit
@2:30 PM**

Friendly Preschool Reminders

We are partnering with parents for a positive preschool experience. We appreciate your help in making sure the children prepared for a smooth day everyday.

1. Bring a water bottle with your child's name.
2. Don't forget to take home nap blankets Friday's for weekend washing.
3. Always have an extra pair of clothes in case of accidents or spills.

Water Play Day

Every Friday

**Wear Water Attire
and Bring a towel
and Change of
Clothes**

Did you know you can review our curriculum framework online?

Our curriculum is considered *play-based emergent* because we use play as a strategy for learning. While it all appears like fun and games, we are teaching the children to expected learning outcomes based on their age and development, while enriching them with exposure to a variety of topics. Just this past month the children explored friendship concepts, the butterfly lifecycle, and bugs! We encourage you to visit and explore our curriculum framework and learning measures at <https://www.cde.ca.gov/sp/cd/re/psfoundations.asp> .
