March 2019 Newsletter

### 2019-2020 Re-Enrollment & Classroom Placement Notifications

Wee Care and the future West Valley Christian Academy Preschool is excited to partner with you in your child's preschool experience. We are offering all of our currently enrolled families priority registration through the re-enrollment period.

Your re-enrollment packets have been sent out and are due back by March 5 to take advantage of priority placement for the 2019-2020 school year. New student applications will be processed beginning March 6. Please make sure to secure your child's placement for next year.

Included in the re-enrollment packet was a cover sheet that included your child's classroom placement for next school year, and some exciting news about our school.

Mark your calendars that the last day of this school year is May 24, 2019. If your child is aging out of preschool check out Wee Care's Cougar Summer Camp. More information is available on the website or at the office.
