

Introducing PayTrace — our new payment gateway partner for B2B and more!

Reach highly profitable
merchants you've never
prospected before.

Reduce administrative
burdens/decrease costs for
B2B merchants.

Increase your average
residual per merchant and
grow your portfolio.

Interchange optimization to save your
merchants money.

Invoicing and Recurring Billing solutions.

A completely scalable platform that can grow
with your merchants' businesses.

Payment Link — our simple and secure
card-not-present solution.

Hassle-free PCI compliance.

Customizable APIs.

Simplified customer, employee, inventory,
and chargeback management.

Enhanced back-office reporting.

5-star, US-based merchant support.

PayTrace is the secure and affordable gateway for all merchant types!

PayTrace offers solutions for every industry including B2B, healthcare, software development, and more.
Plus, frictionless checkout for any situation.

Point of sale.

Mail and phone orders
(MOTO).

Ecommerce.

Mobile.

We play well with others.

PayTrace even offers seamless integration with the most popular business accounting, CRM, ERP, and ecommerce systems.
