Moab Entrada Rag is a 100% cotton smooth fine art paper has superb ink handling and sharpness. Entrada is an archival acid- and lignin-free paper with an expanded color gamut, natural contrast and high ink load. When used with archival inks, your prints will last for generations.

Juniper Baryta Rag 305 is a 100% cotton, true baryta fiber paper that offers the density of a traditional darkroom FB-type paper to hold detail in the deep blacks of the shadow regions, while producing natural white highlights that's enhanced with a slight fiber glossy surface texture. This double weight coated inkjet fine art paper embraces the unique charm of silver halide by using state-of-the-art coating technology.

Crane Museo Max Portfolio Rag 365gsm is an Extra Smooth Fine Art Paper for Photographic and Art Reproduction Images. It combines an extra smooth cotton base from Crane & Co. with advanced coating to bring you a paper that feels luxurious and provides world-class image quality. Museo Rag has exceptional tonal range on a surface that will not detract from your images. This Rag has a 100% cotton base, pH-neutral, acid-free, and OBA-free. Your images will last for generations.
