Environmental Health Specialist

Great opportunity to work as an Environmental Health Specialist (EHS) with Public Health, Delta & Menominee Counties. Responsibilities include regulatory activities related to on-site sewage treatment/disposal systems, on-site water supplies, food service establishments and other environmental health programs.

Minimum requirements include a Bachelor's of Science Degree in Environmental Health or a related degree and a valid driver's license. The employee will be assigned to work from the Menominee office, but may sometimes be required to work from the Escanaba office. An EHS credentialed as a Registered Sanitarian in the State of Michigan will be hired as a Registered EHS.

Send resume, transcripts, and application (found below), by September 18, 2020, to Irene Huebler, PHDM, 2920 College Avenue, Escanaba, MI 49829; email ihuebler@phdm.org; or fax to 906-786-1962. Successful candidate must undergo and pass pre-employment drug screening.
