

Environmental Health Specialist

Great opportunity to work as an Environmental Health Specialist (EHS) with Public Health, Delta & Menominee Counties. This is a part-time position. Responsibilities include regulatory activities related to on-site wastewater systems, water supplies, food service establishments and other environmental health programs.

Minimum requirements include a Bachelor's of Science Degree in Environmental Health or a related degree and a valid driver's license.

Send resume, transcripts, and application (found at <http://www.phdm.org/employment>), to Emily Franks, PHDM, 2920 College Avenue, Escanaba, MI 49829; email efranks@phdm.org; or fax to 906-786-1962. Successful candidate must undergo and pass pre-employment drug screening.
