

**-- Job Posting --**

**Environmental Health Specialist**

Great opportunity to work as an Environmental Health Specialist (EHS) with Public Health, Delta & Menominee Counties. Responsibilities include regulatory activities related to on-site sewage treatment/disposal systems, on-site water supplies, food service establishments and other environmental health programs.

Minimum requirements include a Bachelor's of Science Degree in Environmental Health or a related degree and a valid driver's license. Prefer to hire as a full-time position, but are willing to hire as a part-time position. The employee may be assigned to work from either the Escanaba or Menominee office. An EHS credentialed as a Registered Sanitarian in the State of Michigan will be hired as a Registered EHS.

Send resume, transcripts, and application (found at [www.phdm.org](http://www.phdm.org)), by April 1, 2020, to Irene Huebler, PHDM, 2920 College Avenue, Escanaba, MI 49829; email [ihuebler@phdm.org](mailto:ihuebler@phdm.org); or fax to 906-786-1962. Successful candidate must undergo and pass pre-employment drug screening.
