"From the earliest times, the Law has enforced rights and exacted liabilities by utilizing a corporate concept by recognizing, that is, juristic persons other than human beings. The theories by which this mode of legal operation has developed has been justified, qualified, and defined are the subject matter of a very sizeable library. The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrying on their affairs through is now the familiar device of the corporation ---- Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And the none the worse for it. No doubt. Metaphors in law are to be narrowly watched." Cardozo, J., in Berkey v. Third Avenue R. Co., 244 N.Y. 84, 94, "But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason." See U.S. v. SCOPHONY CORP. OF AMERICA, 333 U.S .795; 68 S.Ct. 855; 1948 U.S."

 Co. Litt. 191

The Common Law is the highest jurisdiction of man-made law and jurisprudence for the men and women sojourning on the landmass commonly referred to as the United States of America with the exception of the landmass commonly called Texas which has Civil Law.

The Law Merchant is tied to the Common Law and is the highest jurisdiction of man-made law for the men and women sojourning on the landmass commonly referred to as the United States of America concerning commerce and associated contracts, bills, commercial instruments, jurisprudence, et al.

The Uniform Commercial Code is a code accepted or partially accepted by agreement of the various States regarding commercial contracts, commercial instruments, transactions, et al.

The Constitution for the United States of America is the supreme contract for the men and women sojourning on the landmass commonly referred to as the United States of America.

The Common Law reflects the Laws as recorded in the group of books commonly referred to as the Holy Bible and is verified by Sir William Blackstone in his published Commentaries which were instrumental to the founding fathers in the framing and establishing of American jurisprudence.

The past and present so-called Monarchs of Great Britain must swear a corporeal oath and thereby contract to uphold and defend the laws as recorded in the letter patent, the 1611 King James Bible, as well as the Common Law.

There are references to a higher jurisdiction in the Declaration of Independence including but not limited to the Laws of Nature and of Nature?s God endowed by their Creator with certain unalienable Rights appealing to the Supreme Judge of the world for the rectitude of our intentions with a firm reliance on the protection of Divine Providence.

The Oaths of Office are clear regarding the adherence to the Constitution when taking an oath of office and entering on the Execution of his Office.

Article II, Section I, last clause: The President ?promises to ?preserve, protect and defend the Constitution??. Article VI, Clause III: ?The Senators and Representatives before mentioned and the members of the several state legislatures, and all executive and judicial officers, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.?

To deny this, would be to affirm ? that men acting by virtue of powers may do not only what their powers do not authorize, but what they forbid.?

names, titles, and the name and address of your office.

Failure to correctly identify and sign every document in wet ink that is sent by you will be used as evidence that you are not who you say you are, that you are attempting to deceive the Sovereign Beneficiary, and that you are attempting to impersonate a Public Official contrary to law.

This is a Notice of Liability Regarding Trespass, Fee Schedule, and Remedy for Protection from Federal / State / County / City / Municipal / Corporate employees, individuals, and agents. I, Raymond: Groves Jr., holder of the office of the People in the State known as Texas or in any other State, am hereby, as a gesture of peace, giving proper notice to the STATE OF TEXAS or to any state / corporation, to the UNITED STATES CORPORATION, and to all municipal, county, and city corporations and other STATE Corporations of the following:

As a peaceful, natural person desiring to avoid conflict and to live lawfully with all of my freedoms, I am providing you with this Affidavit of Fee Schedule and Remedy for Protection from Federal / State / County / City / Municipal / Corporate employees, agents, and individuals as a courtesy to you and as a remedy should you decide to trespass upon Me or my Family. Failure to know or to obey any and all of your thousands of corporate regulations does not constitute a crime absent a victim, damaged property, or fraud (the corpus delecti).

If you should face a jury, you should know that the jury has sworn duty to judge the law and the facts, and the jury can provide just remedy for the People. In every criminal prosecution, it is necessary to establish the ?corpus delecti? (i.e., the body or elements of the crime).

?The corpus delecti consists of two elements- namely, (1) the injury or loss of harm; and (2) a criminal agency causing them to exist.? (People v. Frey, 165 Cal. 140, 146 [131 P. 127]. People v. Lopez, etc.)

Please note that this Affidavit of Fee Schedule and Remedy for Personal Protection from Federal / State / County / City / Municipal / Corporate employees, agents, and individuals is just and modest and well below the precedent set by Trezevant v. City of Tampa wherein the damages established were \$25,000 for 23 minutes of unlawful arrest. This particular remedy calculates to more than \$1.8 million per day. The above is my Fee Schedule for all trespasses to be considered by a lawful jury of the People. Lawyer fees and other fees (including applicable late fees) are not included in this Fee Schedule.

The Unites States Supreme Court has stated the following in U.S. v. Cruikshank (92 U.S. 542 at 551):

??between the People of the United States, any resident within any state, or any other national that there need be no conflict between any of them. The powers which one possesses, the other does not. They are established for different purposes and have separate jurisdictions. Together, they make one whole and furnish the People of the United States with a complete government, ample for protection of all of their rights at home and abroad. It may sometimes happen that a ?person? is amenable to both jurisdictions for the same act. It is the natural consequence of a citizen which owes allegiance to two sovereignties and claims protection from both.?

The citizen cannot complain because he/she has voluntarily submitted themselves to such a form of government. The opinion in this case is 100% correct as long as one is referring to the People of the United States.

Neither I nor anyone from my family is of the UNITED STATES. We are of God, the Almighty Creator.

Let it be clear that a People is not a person, and a person is not a People.

True sovereignty is within the People who have all private rights, but citizens, on the other hand, are subjects (by their own voluntary choice) of the state government and of local and federal government corporations in exchange for privileges and civil rights.

Let it be clear that I am not a person / citizen / employee / subject of any corporation which cannot, under color of law, act as a lawful government. Let it be clear that we have only one Sovereignty, and that Sovereignty is God.

NATURAL LAW

The Natural Law is that which God, the Sovereign over the world, has prescribed to man not by any formal promulgation but by the internal dictates of reason alone. It is discovered by a just consideration of the agreeableness of human actions to the nature of Man, and it comprehends all the duties which we owe either to the supreme being, to ourselves, or to our neighbors as reverence to God, self-defense, temperance, honor to our parents, benevolence to all strict adherence to our engagements, gratitude, and the like. In the Constitution for the United States of America, we find the 11th article, Amendment 9: ?The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the People.?

EVENT OF DEFAULT

Affected parties and people wishing to dispute the claims and truths made herein or to make their own claims upon Me must respond within twenty-one (21) days after service of this Notice of the action and request a Common Law court to empanel a Common Law Jury of twenty-five (25) indigenous free men to hear their case against Me. All responses must be signed and witnessed no later than twenty-one (21) days from the date of original service as attested to by way of certificate of service.

Failure to notify me and/or failure to register a dispute against this Lawful Notice made herein will always result in an automatic default judgment and permanent, irrevocable estoppel by acquiescence, barring the bringing of charges under any statute / regulation / act / code or legal action against Me, my family, or another People. Failure to honor this lawful Notice will make each of the People acting as federal / state / county / city / municipal / corporate employees liable for the sum of \$50,000.00 in silver coin or its equivalent in Federal Reserve Notes plus my Fee Schedule, and such sum will be required to be paid to Raymond: Groves Jr., upon your receipt of the Invoice and by its assigned due date. I, the undersigned affiant and attorney in fact for RAYMOND GROVES JR., authorize this affidavit using my autograph on this instrument.

It is against the law for a Judge to summarily remove, to dismiss, to dissolve, or to diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a commercial lien.
