

Hi All,

I'm Anita Kestel. I have worked in the real estate industry for over 25 years. As an agent and as owner of My Transaction Co, providing transaction coordination to agents in MD, DC & VA, I have managed thousands of transactions over the years for myself and assisting other agents. I enjoy the organizational work of transaction coordination and the inspiration that comes with helping other agents grow their business. I put my expertise to work for the agents who hire me, so agents can spend more time with their clients.

Outside of work, I'm passionate about caring for animals and for the environment. I also love to cook and to travel. My goal this year is to see the Northern Lights! Some of the things I'm most proud of is having my daughter, Aryn, work alongside me in my business, and in building my business from the ground up. Also, I take pride in having graduated from the Maryland Realtor's Leadership Academy in 2023 and serving on the MD Realtors forms committee last year, as well as my work at HCAR. Whatever I do, I try to be involved and be impactful.

I've been a preferred partner of HCAR and immediate Past Chair of the Preferred Partner Outreach Committee, which I still proudly serve on, along with a great group of colleagues. Being involved with HCAR has brought me a close community within the industry, exposure for my business, opportunities to make an impact, be part of leadership, and get to know more colleagues and work alongside many of them. From sitting on and chairing committees, serving on the Board of Directors, volunteering for community service events, participating in and sponsoring events, to attending classes and lunch and learns; there have been many relationships formed, things learned, and lasting friendships made!

I look forward to meeting more of you and getting together with those I haven't seen in a bit and getting to know you more!

With warm greetings,

Anita Kestel
