I Tyrone Lionel Smith, D.C. # B14441, 1-4-16
a sound mind, and fully aware of what I am writing on January, 1st 2016,
Under no threats, Promises, or Pressure, Am writing this on my own Free Will.
Between 2009-2015 I was housed in Land O Lakes
County Jail. During this time I came into contact with Anthony Harris, and
Edner Dely. At this time ~~the~~ Anthony Harris told me he could help me get out of jail
and help me get out of doing alot of time. Harris began coaching me on writing
witness statements agais^t Tyree Jenkins, and Luc Charles-Pierre on a double
Homicide that happen in Trilby, FLA. Pasco County. Harris told me the information he
provided me with came from a Federal Agent he worked with. He told me the State
Attorney Office was fully aware of what we were doing, and his job was to get
as many people as he could to get on Tyree Jenkins, and Luc Pierre-Charles Murder
Case. Edner Dely information came from his court appointed Attorney, secretary. They
became involved in a relationship, after meeting over the phone, at which time she
began providing Dely with detailed information on Jenkins, and Charles murder case.
Each person that was witnesses in Jenkins, and Pierre murder ~~case~~ case was
at some point housed together in Land O Lakes County Jail. The Officers there
were well aware also of what was going on, and moved certain inmates around
each other to allow them to share the information about the case. Inmates were
even encouraged to get on the cases. This can be proved by checking housing records
of Land O Lakes County Jail. I know several other inmates Harris coached
about the cases to.
