

Academics

The school imparts education to students of classes Nursery to XII at five levels

Primary School at GGEMS has been enriching the lives of its students, their families and the community through dedication to the principles of faith and discipline. We provide a safe, positive learning environment that encourages the scholastic achievements of our students. An extensive use of teaching aids to supplement classroom teaching. Project works in class calls for mass participation. An equal emphasis is laid on developing a strong sense of individuality. Field trips and excursions make learning fun. Use of the newspaper articles, quizzes, crosswords and other learning tools enhance general awareness. The school believes in providing quality education through care, compassion and attention. The management strongly believes and takes the onus of molding each child to be a better individual- at the physical, spiritual and emotional level.

Secondary & Sr. Secondary Section: The emphasis is laid not merely on information, but also on the learning of academic and practical skills. An equal stress is laid on preparing students for the prescribed CBSE syllabus and on preparing the students for the various competitive entrance examinations.
