Update Regarding Be-Bop Biscotti Pricing

Dear Valued Customer,

We are writing to inform you of an upcoming adjustment to our pricing structure. Effective October 23, 2026, your price for Be-Bop Biscotti will increase.

We understand that price adjustments can be challenging, and this decision was made after careful consideration. Since our last pricing update, we have faced significant increases in the costs of labor, materials, ingredients, and packaging, making this adjustment necessary.

Thank you very much for your understanding and continued support. We truly appreciate your business.

Sincerely,

The Be-Bop Biscotti Team
