

May 1, 2026

Dear Valued Customers

Due to both manufacturers increases, coupled with significant increases in logistics – (warehousing and transportation) - we must move on our prices.

We have been negotiating with suppliers for smaller increases, and have held off on passing any increases along during this time, but all have been firm on their pricing.

As such, please see attached list for pricing that will go into effect June 1, 2026

Regards

Ward Benedict

National Sales Manager

The Goodyman Snack Inc
