December 1, 2022

Dear Vending Products,

Coca-Cola Canada Bottling Limited's mission is to create a better future and deliver optimism by bringing sustainable value to our customers, consumers and communities. We continually look at different aspects of our business to determine how we can improve our operations to better enable us to achieve our mission.

As a course of business, we will need to implement a cost change which will be effective on all shipments effective March 1st, 2022. This cost change is reflective of, but not bound to a multitude of factors.

For any inquiries or support regarding this change, please contact your main point of contact at Coca-Cola Canada Bottling Limited.

We appreciate your business and remain committed to helping you grow your beverage incidence and profits, through our brands, packages, promotions, and service programs.

Sincerely,

Coca-Cola Canada Bottling Limited
