Dear Vending Products of Canada Team,

At Minute Maid, we pride ourselves in providing world-class products, marketing, customer service, and client support to grow your business. As a course of business, we will need to implement a cost change that will be effective on all shipments and scan allowances as of Feb 13th, 2023. This cost change is reflective of, but not bound to, a multitude of factors.

Following this notification will be a detailed breakdown of the costing structure. The Minute Maid customer team will be in contact over the next week to provide support to ensure the change in costing is accompanied with suggested strategies to achieve our shared business targets.

Thank you,
