To our valued customers,

Effective July 1<sup>st</sup>, 2024, we will be increasing prices on our branded products depending on the category and product. This increase is the result of CPI, labour costs and foreign exchange.

The brands that are impacted include but are not limited to Marley, Mother Parkers, Distinctively Yours, Higgins & Burke, Classic Southern, Wolfgang Puck and Martinson.

Your account lead will provide you with updated pricing information as soon as possible.
