

Good food, Good life

October 12th, 2023

Dear Valued Foodservice Customer,

As industry leaders, we pride ourselves on our ability to consistently provide our customers and consumers with superior brands, products, and services.

Within the current business environment, however, we continue to face constant pressures regarding the costs associated with bringing our products to market. While we are always looking for more efficient methods, we remain committed to maintaining and enhancing the high standard of quality that is the Nestlé foundation, and that our consumers demand.

We will be implementing a cost change to our **Nestlé Professional Portfolio, effective December 31, 2023.**

Full details will be provided within the standard lead times.

We look forward to working in partnership with you to implement this price increase. Should you have any questions, please do not hesitate to contact your local Nestlé Professional Sales Representative.

Sincerely,
Frédéric Baur
Business Executive Officer
