Reference: Cost Change Notice

This is to advise that due to the general rate increases implemented by the ocean freight carriers, line-haul transporters & local carriers over the past months, we need to request your support for a price increase starting on Sept. 16, 2022.

The products affected by this increase include the Plantain Chips, Yuca (Cassava) Chips, Sweet Potato Chips & Panela Brown Cane Sugar imported from both Central & South America.

We thank-you for your attention in this matter & ask that you confirm this date gives you the necessary time to make updates with your customers.

Best Regards,

*Sharon Sager*
