Subject: Blue Diamond Snack Almonds Price Adjustment – Effective February 1, 2026

Blue Diamond Growers remains committed to delivering high-quality Snack Almonds while efficiently managing costs and continuing to invest in the growth of our category and products. Despite these efforts, we have experienced significant and sustained cost increases over the past four years that we can no longer fully absorb, particularly in almond input costs.

As a result, we are announcing a price change effective Sunday, February 1st 2026 across our entire snack nut portfolio.

All orders shipped up to and including Friday, January 30th will receive current pricing. Please note, our standard lead time from receipt of PO to fulfillment is 10 business days. Orders shipped February 1st onward will receive new pricing.

We value your business and remain committed to bringing your shoppers the highest-quality almonds at a strong value. Please reach out to your Marsham International broker representative with any questions you may have.

Sincerely,
