

November 8<sup>th</sup>, 2024

Dear valued partner,

At Coca-Cola Canada Bottling, we pride ourselves in providing world-class products, marketing, customer service, and client support to grow your business.

As a course of business, we will need to implement a cost change that will be effective on all shipments and scan allowances as of January 1<sup>st</sup>, 2025. This cost change is reflective of, but not bound to, a multitude of factors.

Thank you,
