# GROW IN GRACE

#### 2 Peter 3:18

I believe in the Gospel of grace, by faith and by faith alone . . . I believe only through Jesus' blood the sins of mankind are atoned.

I believe grace cleanses, the effects of evil and sin I believe Jesus our very souls died so them He could win.

I believe grace pardons, the guilty and shamed face I believe Jesus upon Himself took the brunt of our disgrace.

I believe graces heals, the hurt, the pain, the ache I believe Jesus our hearts can soften, reform and remake.

I believe grace gives rest, to the depressed and friendless I believe Jesus came to save all who are lonely and hopeless.

I believe in the Gospel of grace, by faith and nothing more . . . I believe God's gift of grace redeems, heals and restores!
