

# FALLING FOR JESUS

John 15:9

## I fell in love with Jesus

I fell in Love with Jesus as i began to pray He came to me in a moment when i called on His Name I fell in love with Jesus and in my heart i heard Him say my daughter, i have loved you before you were ever born and now i am so happy that you have taken notice of my love for you and how much you are adore

I fell in love with Jesus as i began to praise and worship Him as my Savior and fell on my knees to pray I fell in love with Jesus with my hands raised to reach up to Him for help and was given more than i can say

He has changed my whole heart inside and out and filled the empty spaces with His Love I cried and cried to ask His forgiveness for not realizing it before of how much He sacrificed to make my life worth living for

He showers me with love like a spring time rain and gives me all i ask Him for by the power of His name He holds me close whenever i'm unsure and tells me that He's there for me and will always stay the same

I fell in love with Jesus and i gave him all of me He took what i gave and made me into something I could never be without Him I was nothing according to the word but with Him i am loved completely and wonderfully free

Pumpkin Bars

### Ingredients

4 eggs.  
1 2/3 cups white sugar.  
1 cup vegetable oil.  
1 (15 ounce) can pumpkin puree.  
2 cups all-purpose flour.  
2 teaspoons baking powder.  
1 teaspoon baking soda.

Preheat oven to 350 degrees F (175 degrees C).

In a medium bowl, mix the eggs, sugar, oil, and pumpkin with an electric mixer until light and fluffy. Sift together the flour, baking powder, baking soda, cinnamon and salt. Stir into the pumpkin mixture until thoroughly combined.

Spread the batter evenly into an ungreased 10x15 inch jellyroll pan. Bake for 25 to 30 minutes in preheated oven. Cool before frosting.

To make the frosting, cream together the cream cheese and butter.

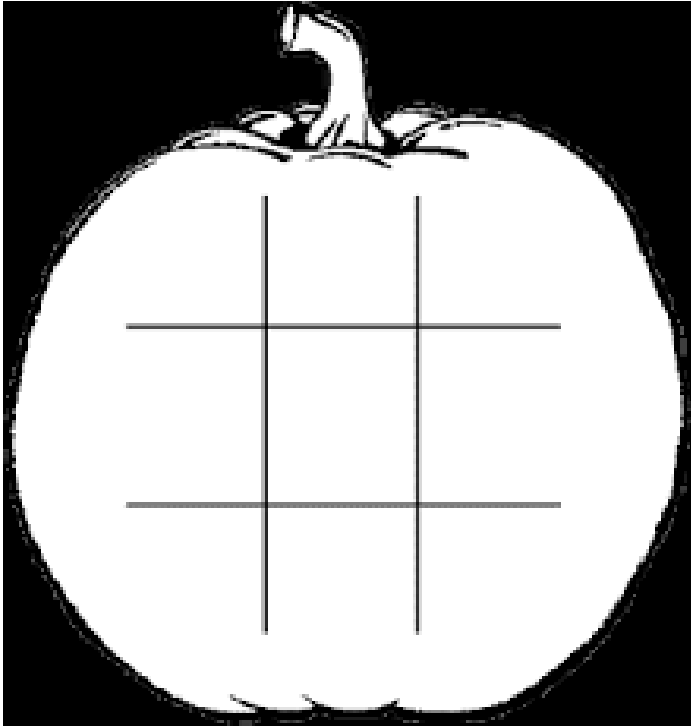

Stir in vanilla.

Add confectioners' sugar a little at a time, beating until mixture is smooth. Spread evenly on top of the cooled bars.

Cut into squares. Enjoy
