

Our Thanksgiving Day Prayer

Lord, We humbly ask thy blessing on the food that is prepared. We ask for safe travels for family & friends. We ask for a grateful heart is a world of sorrow. We ask that you humble thy mind and allow us to grow and become more grateful as the year comes to an end.

Let us be reminded of all the joys that have crossed our paths this season. Let us reflect on the impact of the small things & the small prayers that are answered. Lord we love you and we know that you love us and each and everyone around this table today thank you for the memories we are able to make and the moments we are able to share in. Thank you for the good food, fellowship and even our naps too.

In your name we pray
Amen
