

Grrrrrrrrrrrr!

What's a G.I.R?*

A Group Institutional Representative is a person selected by your group to act as a liaison between your home group and SDIAC (Hospitals and Institutions).

Does your home group want to

-maintain or establish effective communication with H&I?

-make donations that go to the purchase of conference-approved literature for those in jails and hospitals unable to attend meetings?

Then...

Elect a G.I.R. and have them attend the H&I meetings. Business meetings are held every third Sunday following the noon Orientation at the Union Hall on 5150 Kearny Mesa Rd., 92111

* excellent service opportunity!!!
