Sponsoring the Gulf Breeze Sertoma Family Fishing Rodeo provides exposure, support and involvement in our community. 100% of the net proceeds will help facilitate and enable Gulf Breeze Sertoma's charitable work throughout the year.

Please Sponsor our Family Fishing Rodeo and join us in supporting Gulf Breeze, Santa Rosa, and Escambia County children's charities and community outreach programs.

Gulf Breeze Sertoma is a local chapter of the many clubs belonging to Sertoma International. Sertoma's International mission is 'To improve the quality of life today for those at risk or impacted by hearing loss through education and support'. Our Gulf Breeze Sertoma vision is 'To create communities of change under a common leadership with a common voice that will serve the many children in need'.

Gulf Breeze Sertoma Club was established in 1985 as a corporation with 501(3) C status. Since then we have been a major contributor form children of need in the local Gulf Breeze, Santa Rosa and Escambia County communities. Our membership base is consistently around 50, with about half of those being respected military service veterans. The primary charity we donate to is the Speech & Hearing Aid Banks but we also provide major donations to youth orientated organizations and other local programs which are youth orientated. A list is provided on the following page.

The Annual Gulf Breeze Sertoma Family Fishing Rodeo is our only fund-raising activity with **100%** of the net proceeds being returned to the benefactors in our community. This annual event has been successful for 30+ years thanks to the generosity of our sponsors' donations, the support from thousands of participating anglers and our ability to offer additional fishing educational activities for all family members. We intend to obtain as many sponsor donations as possible for our Family Fishing Rodeo which provides visibility to the good-natured organizations willing to support the efforts of Gulf Breeze Sertoma. We support and recommend our corporate sponsors to ensure continued growth for those businesses and our charitable reach.

There are 19 fish categories for the Master Angler and 13 fish categories for the Jr Angler (under 14 at time of weigh in). Hand Hammered Copper Fish Replica Trophies are awarded for first place and monetary award for 2nd and 3rd. Event shirts are awarded for 1st thru 3rd for each category.

We would greatly appreciate your corporate donation, sponsorship and participation in our 2023 Family Fishing Rodeo.

Sincerely,

David Radcliffe
