The York Planning Board will conduct a Public Hearing on the Town of York 2022 Comprehensive Plan. This is a complete plan update and rewrite to the current Comprehensive Plan that was adopted by the Town in 1999.

A Comprehensive Plan is a municipality's vision of how the Town should grow in the future. The Comprehensive Plan includes goals and recommended actions that will guide policies, future land use decisions and Town investments over the course of the next 10-15 years.

Printed copies of the Town of York 2022 Comprehensive Plan are available at the Town Clerk's office in Town Hall, and digital copies are available under "Public Hearing Notices" on the Town's webpage (www.yorkmaine.org).
