

# New England Veterinary Conference

September 25-28, 2025  
Portland, Maine

# New England Veterinary Medical Association

## 2025 Board Members

**President: Meera Gatlin, DVM, MPH, DACVPM (MA)** is an assistant professor of public health at Cummings School of Veterinary Medicine at Tufts University, where she leads students in the DVM/MPH dual-degree program. Her research and teaching interests are in public health education and the role of working dogs in public health/public safety. She received her DVM and MPH degrees from Tufts in 2016. After graduation, she worked as an associate veterinarian in Framingham, Massachusetts and still does relief work when not teaching.

**Vice President: Lindsay Thibeault, DVM (RI)** is Medical Director of the RISPCA in Warwick, Rhode Island., and she previously owned a mobile small animal veterinary practice, Creature Comforts Veterinary Services. She received her DVM from Cornell University in 2004. Dr. Thibeault is a past president of the Rhode Island Veterinary Medical Association.

**Treasurer: Kelly O'Neill, DVM, DACVIM, MPH (VT)** is the medical director at Peak Veterinary Referral Center in Williston, Vermont. She received her DVM from Colorado State University and completed a residency in small animal internal medicine at Cummings School of Veterinary Medicine at Tufts University.

**Secretary: Monica Dijanic, DVM (CT)** is co-owner and medical director at Beaver Brook Animal Hospital in Wethersfield, Connecticut. She is a 2003 graduate of Ross University's School of Veterinary Medicine and did her senior year at the University of MN. She is currently the Small Animal Representative on the CVMA Board of Directors and is the President of Veterinarians for the Intervention and Prevention of Suicide (VIPS).

**Immediate Past President: Elizabeth Kellett, BVSc (NH)** is an associate veterinarian at Blackwater Veterinary Services, a mixed animal practice in Salisbury, New Hampshire. A graduate of Massey University in New Zealand, Dr. Kellett is a Past President of the New Hampshire VMA and is the current New Hampshire Alternate Delegate for the AVMA.

### Directors:

**Kelsey Hilton, VMD (ME)** is a large animal veterinarian at Annabessacook Veterinary Clinic in Monmouth, Maine. She graduated from University of Pennsylvania in 2012 and has served on the board of the Maine VMA. Her interests include large animal medicine and surgery, bovine and small ruminant reproduction and ultrasound and she particularly enjoys consulting with small farmers to develop preventative husbandry plans for their herds and developing client education materials.

**Megan Whelan, DVM, DACVECC (MA)** is the Chief Medical Officer of Angell Animal Medical Center in Boston and co-directs the Emergency and Critical Care service. She is a 2003 graduate of Tufts University School of Veterinary Medicine and completed a one-year internship program at Angell and a three-year E/CC residency at Tufts before joining Angell's senior staff. Dr. Whelan is also the Director of Angell's Internship Program, where she oversees the clinical education of new veterinarians.

**Caitlin McIntosh, DVM (CT)** is the co-owner of Beckett & Associates Veterinary Services in Glastonbury, Connecticut. She graduated from The Ohio State University College of Veterinary Medicine in 2009. A native of New England, she returned to Connecticut after practicing in upstate New York for six years and became a partner in the practice in 2017. Dr. McIntosh enjoys all aspects of veterinary medicine, but has special interest in equine reproduction, small ruminant and pet pig medicine, and pain management.

**Katie Larson, DVM (NH)** owns Saltwater Equine Emergency Services, an emergency only subscription-based practice. She graduated from Mississippi State College of Veterinary Medicine in 2019 and then completed an internship at Littleton Equine Medical Center. She is currently the Vice President of the New Hampshire Veterinary Medical Association.

**Hannah Thomas, BVetMed (RI)** is an associate veterinarian at Veterinary Urgent Care Center in East Providence. She graduated from The Royal Veterinary College in London in 2015. She joined Ocean State Vet Specialists for an internship after graduation and worked in a combination of emergency medicine and general practice before joining VUCC in 2023.

# Welcome to the 90<sup>th</sup> New England Veterinary Conference

It is my pleasure to welcome you to Portland, Maine for the 90th New England Veterinary Conference!

NEVMA is a 501(c)(3) non-profit organization and our primary mission is to provide continuing education to the veterinary community in New England. If you are a member of your New England state's VMA, you are automatically a member of NEVMA, which exists to put on this veterinary conference.

We are excited to share diverse educational offerings from some of the best and brightest in our profession. There are also networking and social activities for everyone on the veterinary patient care team. Portland is a vibrant city and we encourage you to walk around and take advantage of the beautiful scenery, shopping, restaurants, and more. On behalf of our veterinary volunteer board of directors and conference manager, Christina Strubbe, we hope you have a fabulous time learning and relaxing.

We welcome your feedback as well as future topic and speaker suggestions as we strive to improve the conference every year. Please also consider volunteering with your state VMA to continue to make NEVMA and organized veterinary medicine thrive.

We hope you enjoy the conference and your time in Portland!

Meera Gatlin DVM, MPH, DACVPM  
2025 President, New England Veterinary Medical Association  
Cummings School of Veterinary Medicine at  
Tufts University, North Grafton, MA

***The New England Veterinary Medical Association is essentially a federation, with each New England state VMA appointing or electing a Director, whose primary purpose is to plan this annual Conference, now in its 90<sup>th</sup> year. Every veterinarian who is a member of a New England state VMA is also a member of our New England VMA. In recent years almost all of the annual net financial gain from this Conference has been donated in equal shares to the charitable foundations of the six New England VMAs and to the Veterinary Scholarship Trust of New England (VSTONE).***

***Our Conference also hosts the Northeast Veterinary Leadership Meeting, at which the top elected leaders and staff of the New England states and New York discuss key issues with AVMA leadership and Region One Delegates, the Dean of Cummings School of Veterinary Medicine at Tufts and New England's state and federal regulatory veterinarians.***

Lunch sponsored by:

# Thursday, September 25

## Schedule at a Glance:

From gastrointestinal and immune support to hydration, joint support or anxious behavior, find advanced support for your pet with Purina Pro Plan Veterinary Supplements. Each cat or dog supplement includes powerful, purposeful ingredients that help support your pet with the care they need.

# NEVMA Annual Meeting & Volunteer Opportunities

The NEVMA annual meeting will be held after lunch on Sunday, September 28. If you are a member of a New England state VMA, you are considered a member of the New England VMA.

The NEVMA board is made up of volunteer leaders from each of the New England states. Being involved with organized veterinary medicine is an excellent way to give back to our profession. If you are interested in serving on our board or in another volunteer position, please contact your state veterinary medical association.

Thank you!

# Quick Details

- **CE Certificate:** A download link will be emailed to you one week after the conference. You must download the certificate by December 31, 2025.
- You can attend any lecture, not just those you selected during registration. You can adjust your lectures in the app or email us after the conference if you need your certificate to list specific lectures.
- **Meals/breaks** are downstairs in the exhibit hall. You may bring your lunch upstairs and eat in the lounge (next to the elevators) on Friday and Saturday.
- **Proceedings:** Notes can be downloaded for no charge on the conference app. A limited number of printed proceedings are available for purchase.
- **Annual Meeting:** 11:30am on Sunday, September 28, Casco Bay Hall
- **Lactation Space:** There is a shared room available for nursing/pumping. Please request the key at the conference registration desk.
- **Questions?** Please visit the registration desk on the first floor.

## IDEXX Cancer Dx testing. Detect lymphoma earlier than ever.<sup>1</sup>

IDEXX Cancer Dx™ testing can be affordably and easily incorporated into IDEXX Preventive Care profiles for at-risk dogs\* and provides actionable insights to inform next steps. What's more, early data suggests that it can detect lymphoma before clinical signs are present.<sup>1</sup>

And that's just the beginning.

Get a glimpse of the future of oncology at [idexx.com/cancerdx](https://idexx.com/cancerdx).

\*At-risk dogs include all dogs ≥ 7 years old and high-risk breeds ≥ 4 years old.
