

# New England Veterinary Conference

September 26-29, 2024   Portland, Maine

# New England Veterinary Medical Association

## 2024 Board Members

**President: Elizabeth Kellett, BVSc (NH)** is an associate veterinarian at Blackwater Veterinary Services, a mixed animal practice in Salisbury, New Hampshire. A graduate of Massey University in New Zealand, Dr. Kellett is a Past President of the New Hampshire VMA.

**Vice President: Lindsay Thibeault, DVM (RI)** is Medical Director of the RISPCA in East Providence, Rhode Island. She previously owned a mobile small animal veterinary practice, Creature Comforts Veterinary Services. She received her DVM from Cornell University in 2004. Dr. Thibeault is a past president of the Rhode Island Veterinary Medical Association.

**Treasurer: Meera Gatlin, DVM, MPH, DACVPM (MA)** is an assistant professor of public health at Cummings School of Veterinary Medicine at Tufts University, where she leads students in the DVM/MPH dual-degree program. Her research and teaching interests are in food protection, public health literature, and global health. She received her DVM and MPH degrees from Tufts in 2016. After graduation, she worked as an associate veterinarian in Framingham, Massachusetts and still does relief work when not teaching.

**Secretary: Monica Dijanic, DVM (CT)** is co-owner and medical director at Beaver Brook Animal Hospital in Wethersfield, CT and lives with her husband, two dogs, three cats and 24 chickens in North Granby, Connecticut. She is a 2003 graduate of Ross University's School of Veterinary Medicine and did her senior year at the University of MN. She is currently the Small Animal Representative on the CVMA Board of Directors and is the President of Veterinarians for the Intervention and Prevention of Suicide (VIPS).

**Immediate Past President: Hailey Gentile, DVM (VT)** is the owner of Newport Veterinary Hospital in Newport, Vermont. She is a 2007 graduate from Washington State University, Go Cougs! She is the alternate delegate to the AVMA for Vermont, a past president of the Vermont Veterinary Medical Association, and a past board member for the VBMA Alumni.

### Directors:

**Kelsey Hilton, VMD (ME)** is a large animal veterinarian at Annabessacook Veterinary Clinic in Monmouth, Maine. She graduated from University of Pennsylvania in 2012 and has served on the board of the Maine VMA.

**Kelly O'Neill, DVM, DACVIM, MPH (VT)** is the medical director at Peak Veterinary Referral Center in Williston, VT. She received her DVM from Colorado State University and completed a residency in small animal internal medicine at Cummings School of Veterinary Medicine at Tufts University.

**Megan Whelan, DVM, DACVECC (MA)** is the Chief Medical Officer of Angell Animal Medical Center in Boston and co-directs the Emergency and Critical Care service. She is a 2003 graduate of Tufts University School of Veterinary Medicine and completed a one-year internship program at Angell and a three-year E/CC residency at Tufts before joining Angell's senior staff.

**Caitlin McIntosh, DVM (CT)** is the co-owner of Beckett & Associates Veterinary Services in Glastonbury, CT. She graduated from The Ohio State University College of Veterinary Medicine in 2009. A native of New England, she returned to Connecticut after practicing in upstate New York for six years and became a partner in the practice in 2017.

**Katie Larson, DVM (NH)** is the owner of a subscription based emergency only equine practice based out of West Newbury, MA. She graduated from Mississippi State College of Veterinary Medicine in 2019 and then completed an internship at Littleton Equine Medical Center. She is currently the Vice President of the New Hampshire Veterinary Medical Association.

**Hannah Thomas, BVetMed (RI)** is an associate veterinarian at Veterinary Urgent Care Center in East Providence. She graduated from The Royal Veterinary College in London in 2015. She joined Ocean State Vet Specialists for an internship after graduation and worked in a combination of emergency medicine and general practice before joining VUCC in 2023.

# Welcome to the 89<sup>th</sup> New England Veterinary Conference

We are excited to share educational offerings, as well as networking and social activities in Portland this fall. On behalf of our veterinary volunteer board of directors and conference planner, Christina Strubbe, we hope you have a fabulous time learning and relaxing.

When you are not busy at the conference, we highly encourage taking a walk around the vibrant city of Portland. Take advantage of exceptional coastal scenery, shopping, restaurants, live music and history.

The New England Veterinary Medical Association is a 501c(3) non-profit organization with a mission to provide continuing education to our veterinary community. If you are a member of your New England state's VMA, you are automatically a member of NEVMA, which exists to put on this veterinary conference.

Our line up this year includes some of the best speakers in the profession for the entire veterinary health care team and some fun evening activities. We welcome feedback to continue to improve the conference and appreciate survey responses with future topics and speaker suggestions. Also, consider volunteering with your state VMA to continue to make NEVMA and organized veterinary medicine thrive.

Enjoy the conference and your stay in Portland!

Warm Regards,

Liz Kellett, BVSc

2024 President, New England Veterinary Medical Association

***The New England Veterinary Medical Association is essentially a federation, with each New England state VMA appointing or electing a Director, whose primary purpose is to plan this annual Conference, now in its 88<sup>th</sup> year. Every veterinarian who is a member of a New England state VMA is also a member of our New England VMA. In recent years almost all of the annual net financial gain from this Conference has been donated in equal shares to the charitable foundations of the six New England VMAs and to the Veterinary Scholarship Trust of New England (VSTONE).***

***Our Conference also hosts the Northeast Veterinary Leadership Meeting, at which the top elected leaders and staff of the New England states and New York discuss key issues with AVMA leadership and Region One Delegates, the Dean of Cummings School of Veterinary Medicine at Tufts and New England's state and federal regulatory veterinarians.***

Lunch sponsored by:  
 **Boehringer  
Ingelheim**

# 2024 Conference Details

**CE Certificates:** A link to download your certificate will be emailed to you approximately a week after the conference. Please download by December 31, 2024.

For day attendees, there is complimentary parking on a first come, first served basis in two locations:

**Parking:**

1. The garage next to the hotel
2. **On Saturday and Sunday morning only**, the surface lot belonging to Maine Health on 110 Free Street will be open approximately 2 hours from 7:00-9:00am. No re-entry, no overnight parking

There are additional garages within several blocks of the hotel, rates vary.

Overnight guests, park in the garage under hotel.

**Meals:** Continental breakfast, lunch, and breaks are included for the days you are registered.

**CE Credits:** 6 credit hours per lecture day Friday-Sunday. Lab credits vary by lab.

**Exhibit Hall:**

Friday, Sept. 27: 7:30am–4:30pm  
Saturday, Sept. 28: 7:00am–3:30pm  
Sunday, Sept. 29: 7:30am–12:30pm (select vendors)

**Family/Guests:** Guests must be registered and wearing a badge for access to meals and the exhibit hall. The guest fee covers breakfast, lunch, and admission to the exhibit hall. No entrance to lectures.

**Proceedings:** Notes are available to download for no charge on the conference app. A limited number of printed proceedings (\$100) are available for purchase.

**Annual Meeting:** 11:30am on Sunday, September 29, over lunch in the Casco Bay Hall

**Lactation Space:** There is a shared room available for nursing/pumping. Please ask at registration.

**Questions?** Please visit the registration desk on the first floor.

## On the waitlist for the ultrasound labs and looking for additional hands-on ultrasound opportunities?

Both Sound Technologies and Universal Imaging offer education opportunities at locations around the country!

<https://academy.soundvet.com/>

# Friday Night Fun!

## Vendor Reception in the Casco Bay Hall

Friday, Sept. 27, 4:30-5:30pm

Attending lectures on Friday? Join us in the exhibit hall after classes on Friday evening to socialize with your fellow attendees and enjoy a drink and some appetizers! Drink ticket in your badge.

## Tacos, Churros, and Vets Against Insanity!

Friday, Sept. 27, 5:45-7:45pm

Join other veterinary professionals (and their guests) to deal with your stress with a churro, a taco (or two) and a hilarious tournament of Vets Against Insanity hosted by the game creators—Drs. Sarah Wooten and Caitlin DeWilde!

This tournament is for you if you a) work in veterinary medicine; b) know someone who works in veterinary medicine; or c) work where you have to keep your face from showing a reaction to clients' off-the-wall statements.

The winner from each table will take home a copy of the 2024 edition to spread the laughs to your friends and co-workers. There will also be a children's area with other animal themed games. **\$25 adults, \$15 kids. Ticket includes tacos, churros, and a drink (local beer or cider).**

We lead the way  
to **make more of**  
**every life.**

Our eyes are to  
the **future.**

*Life forward*

# Thursday, September 26

## New England Veterinary Medical Association Annual Meeting & Volunteer Opportunities

The NEVMA annual meeting will be held after lunch on Sunday, September 29. If you are a member of a New England state VMA, you are considered a member of the New England VMA.

The NEVMA board is made up of volunteer leaders from each of the New England states. Being involved with organized veterinary medicine is an excellent way to give back to our profession. If you are interested in serving on our board or in another volunteer position, please contact your state veterinary medical association.

Thank you!
