## RYAN EMBERLEY

[captryan@stemtostern.pro](mailto:captryan@stemtostern.pro)

386-864-0259

1600 Ton Master

4000 HP DDE

### Experience

**Chief Engineer/ Relief Captain | M/Y Areti I | 130' Burger | Nov 2015-Dec 2022**

Performed preventative and corrective maintenance on all shipboard systems. Operated in Florida, Bahamas, Dominican Republic and the Mediterranean.

**Captain/Engineer | M/Y Midsummer Dream | 98' Broward — Apr 2015-Sept 2015**

Chartered in remote locations in south Alaska and delivered the vessel to Seattle via the Inside Passage.

**Captain/Engineer | M/Y Sea Loafers III | 112' Westport — Jan 2015-Mar 2015**

Operated and maintained both the deck and engine room. Cruised between Miami and Ft. Lauderdale.

**Captain/Engineer | M/Y Lady J | 76' Lazzara — Mar 2011-Nov 2014**

Logged over 18,000 nm on waters including Great Lakes, St. Lawrence Seaway, US East Coast, and Bahamas. Reduced costs by performing scheduled maintenance and troubleshooting.

**Relief Captain/Mate | M/V Sundancer | 110' Skipperliner | Oct 2009-Mar 2011**

Operated and maintained the vessel in accordance with USCG Certificate of Inspection for 90 passengers.

**First Officer/Asst Eng | R/V Range Rover | 180' Research Vessel | Nov 2003-Dec 2008**

Duties included supervising deck work, ship handling, navigation, and voyage planning. Held secret level clearance for load outs which required custom hydraulic and electrical configurations.

**Lead Deckhand | R/V Range Master | 100' Research/Recovery | Jun 2000-Nov 2003**

Recovered multiple types of torpedoes and assisted in testing at the AUTEK range on Andros Island.
