## Overnight & Day Camp Parent and Legal Guardian Handbook

Parents & Guardians:  
**PLEASE READ THIS HANDBOOK  
THOROUGHLY**

**Your signature on the Camper Registration indicates that you have read and will comply with the Camper Code of Conduct and all other procedures contained in this Handbook**

Revised: January 2022

## Dear Parents & Guardians,

This summer we are celebrating 100 years of Camp in Horsham! It is our hope to provide a safe, fun summer experience for your children. We will continue to follow the guidelines issued by the CDC, as well as our own extra measures, to help keep campers and staff protected.

**All campers and staff are required to be fully vaccinated against Covid-19.**

**Day Camp Sessions:** We have decided to continue offering 2-week Day Camp sessions this year. You may still enroll your camper in two 2-week sessions, totaling 4 weeks of Day Camp. You can also enroll in ONE session of Overnight Camp. Please ensure that your session dates do not overlap when enrolling in both Day and Overnight Camp sessions. These guidelines are explained further in the Cover Letter and within the Camper Registration.

**Overnight Camp Sessions:** We are bringing back our 5-day Overnight Camp sessions this year. These sessions will be offered during the first two weeks of Camp. Additionally, we will also offer three 12-day Overnight sessions.

**Teen Adventure Program:** Campers enrolled in the 12-day Teen Adventure Program (TAP) will return to our Spruce Run Outpost in the Pocono Mountains for 2022. Our bathhouse and Adirondack shelters have all been upgraded and we are excited to return!

Our preexisting policies require proof of vaccinations when submitting Camper Medical forms. Again, **ALL** campers must also show proof that they have been vaccinated against Covid-19. **There are no exceptions or exemptions.** As always, our objective is to be able to provide a safe environment for all children who attend Camp.

We hope to operate our Day Camp and Overnight Camp with 100% enrollment numbers. Pending any CDC shutdowns based on new variants, we will be able to accept many more campers this summer.

Masks will be required on buses, unless the CDC guidelines indicate that this is not necessary. We ask that all campers bring masks with them to Camp. However, they will not be mandated to wear them, pending any updated guidelines. We also ask that if your child feels unwell or has a fever, **DO NOT** send them to Camp. Please consult the **2022 Cover Letter** for more information regarding this.

# 2022 Covid-19 Guidelines

Here at College Settlement, the safety and health of campers and staff is always our highest priority. With the widespread availability of Covid-19 vaccines, **we have decided to make this vaccination mandatory for ALL campers and staff.** We will continue to follow our increased sanitizing procedures and will maintain communication with schools, families and staff members. Additionally, we will continue to adhere to the CDC and American Camp Association guidelines for keeping campers and staff safe.

Camp staff will direct and oversee the proper and thorough cleaning and disinfecting of all high touch surfaces. All disinfectants utilized will be listed on the EPA List N and certified to kill the Covid-19 virus when properly applied. Disinfectants will be given the recommended window of time to have proper efficacy against the target viruses. All bathrooms are equipped with soap stations and towel dispensers. If a child uses the restroom, when they return to the group, a Camp staff member will ensure the camper uses hand sanitizer to ensure that their hands are disinfected.

If a camper becomes ill with symptoms of Covid-19 while at Camp, the Camp Nurse will send them to the quarantine area. Parents / Emergency Contacts will be contacted and asked to pick up their child(ren) within 2 hours of the call. Before the child can return to Camp, the Parent or Guardian will need to provide a negative Covid-19 test. Children who test positive for Covid-19 will not be permitted to return without medical clearance or a negative Covid-19 test.

## Face Coverings & Masks

Campers will be asked to bring at least one mask to Camp. We also request that campers bring extras with them, in the event that their mask becomes dirty or wet. Campers may be required to wear a mask in smaller indoor areas, pending updated CDC guidelines.

- All campers must wear a face covering (cloth mask or face shield) that covers their nose and mouth while on the bus.
- Signs will be posted in highly visible locations (i.e., entrances, restrooms, etc.) that promote everyday protective measures and describe how to stop the spread of germs.
- A majority of our activities are held outdoors, which lessens the possibility of transmitting Covid-19. Pending weather conditions, we will continue to move as many activities outdoors as possible.
- Staying home when sick is one of the most effective ways to minimize the risk of transmission of Covid-19. For any child who displays Covid-19 symptoms, or whose family member displays symptoms, we ask that the child stay home.

Please notify the Camp Office if your child tests positive for Covid-19 so that we can follow our safety protocols for campers and staff

# Vision Statement

---

Shaping the lives of young people by instilling respect for self, others, and our natural world.

# Mission Statement

---

Our mission is to deliver a unique Camp experience to young people concentrated in the greater Philadelphia area, without regard to economic circumstances. # Core Values

---

## Supportive, Safe, and Healthy Environment

- We provide a secure living, learning, and recreational environment, both physically and emotionally.
- We promote an environment where fun thrives, and young people feel the confidence to take risks, feel challenged, and are excited by new experiences.
- We provide opportunities to practice a healthy lifestyle through exercise and thoughtful food choices.

## Sense of Community

- We foster an environment of belonging and collaboration, where everyone feels that they matter.
- We are proud of our long heritage of providing memorable Camp experiences and the life-long and multi-generational connection that our campers have with us. We place great importance on the preservation of our culture and the sustainability of our organization.
- We believe that our impact extends beyond the boundaries of our property limits. We maintain good relations with our neighbors in Horsham, the institutions we partner with, and the families we serve.

## Respect and Diversity

## Personal Property

Please make sure all of your camper's belongings are clearly marked with their first and last name. The care of clothing and equipment brought to Camp is the concern and responsibility of the camper. We try to manage lost and found items continually throughout the summer season, but it is a challenge! While at Camp, your child will have the opportunity to participate in a variety of activities! Traditional camp activities, like swimming, boating, fishing, climbing, biking, arts & crafts, campfires and more! # Day Camp Cell Phone Policy

There is a strict No Cell Phone Policy at Camp. However, we realize that in some cases, Day Campers must bring their phones to Camp so they can contact their Parent or Guardian before arrival or after dismissal. To protect camper property and decrease the chance that phones will be damaged or lost, as well as to prevent campers from using their cell phones during the Camp day when they should be enjoying the outdoors, we have implemented a Phone Check In / Check-Out procedure. Campers will check their phones in to a staff member at the very beginning of the day, and check them back out at the completion of the day. Camper phones are stored in a locked cabinet in the Day Camp Office.

## Transportation To & From Day Camp

You have two transportation options when registering for Day Camp. You can drive your child to and from Day Camp each day, or they can take one of the buses provided by Camp.

### 1. Bus Transportation

The Camp Bus driver is responsible for driving the bus safely in accordance with all the rules and regulations established by state and local authorities. Their full attention must be devoted to the operation of the vehicle and the observation of traffic conditions.

To maintain order and ensure the safety of all campers riding the Camp Bus, the following rules must be observed

1. Parents MUST wait at the bus stop until the bus arrives. There are no Camp staff members present at the bus stop before the bus arrives or after it departs.
2. While waiting for buses at assigned stops, campers must not play games on the street, enter onto private property, or misbehave in any manner. Campers must remain on the sidewalk until the vehicle arrives.

4. Campers must wait for the bus to come to a full stop before attempting to get on the bus or before getting up from the seat to get off the bus.
5. Campers must sit with their backs against the seat at all times.
6. Campers are not to put hands, arms, legs, or any part of the body out of the windows, or tamper with the bus or any of its equipment.
7. Campers may get out of their seats only after the bus has come to a complete stop.
8. Food and drink are not permitted on the bus.
9. Only registered campers and Camp staff are permitted to ride the bus.
10. Campers will not be authorized to get off at any stop other than their assigned stop.
11. Nothing is to be thrown out of bus windows.
12. The Camp bus driver and bus counselors are in full charge of the campers while they are riding the bus.

## WE DO NOT ALLOW PHONES AT OVERNIGHT CAMP

### Camper Laundry & Personal Property

Please make sure all of your camper's belongings are clearly marked with their first and last name. Using initials makes it difficult to return lost items. The care of clothing and equipment brought to Camp is the concern and responsibility of the camper. We are unable to replace or pay for property lost or left at Camp. The Camp cannot be responsible for lost or stolen articles. Please leave **ALL** valuables at home. We try to manage lost and found items continually throughout the summer season, but it is a challenge! If you discover your child is missing something upon their return home, please notify the Camp Office as soon as possible. After the summer Camp season, we donate unclaimed items to charity.

We will wash Camper's clothing only in emergency situations. Therefore, your child must have clothes for an entire 12 or 5-day session (i.e., enough socks, underwear, towels, etc.).

## Bedding & Bedwetting

Campers should bring bedding for their stay at Camp. Please send a pillow, twin sheets, and a blanket or sleeping bag. Teen Adventure campers must bring a sleeping bag for their time at the Spruce Run Outpost, and can use sheets and blankets when they're here at Camp—or, they can just use their sleeping bag. For reasons of hygiene, we cannot provide pillows for campers.

**Bedwetting** is a relatively common occurrence among campers, and our staff members are trained to deal with the situation in a discreet manner. Please inform us of any possible bedwetting concerns as soon as possible so that our staff can proactively work to minimize camper anxiety. The Camp Director and Camp Nurse can discuss options with you before your child's session starts—just give the Camp Office a call. If bedwetting occurs every evening, we may ask you to provide pull-ups or additional bedding to be used for the entire session. We do not have the ability to launder bedding daily.

## Packing Medication

All medication must be brought to Camp in its original prescription container and placed in a Ziplock bag with your child's name. Medication must be checked in with the designated Camp staff member during camper bus check-in. If you drive your child directly to Camp, you will check medications in with the Camp Nurse during our check-in procedures on site. **Please do not place any medications in your camper's luggage.** For more information regarding medication, please see the **Medication at Camp** section of this handbook.

## Communicating With Your Child

There are no visiting days while Camp is in session. Because of this, mail from home is very important to our campers. We encourage campers to write home frequently, and we hope Parents and Guardians will do the same—your camper will really appreciate it!

### Summer Camps at College Settlement

c/o Your Child's First and Last Name  
Their Village and Bunk  
600 Witmer Road  
Horsham, PA  
19044

Please write your child's full, first and last name on any letters you send. This way, we can ensure it gets delivered to them promptly.

You can include your child's Village and bunk if you know it, but if not, don't worry! We will make sure they receive it.

The Camp strongly discourages any contact between summer staff and campers after the season ends, whether by mail, online, or in person. Summer staff do not represent the Camp once the summer season is over. If your child wishes to stay in touch with a Camp staff member, please do so by postcard through the Camp Office.

## Care Packages

Please do not send care packages to your child at Camp. Campers will receive treats and healthy meals as part of the Camp program. Any packages containing food, candy, etc. received at the Camp Office will be returned to you.

If you need to send a package containing an essential non-food item, please contact the Camp Office to make arrangements. Otherwise, all packages will be kept in the office and returned home with your camper on the last day of their session.

**PLEASE DO NOT SEND CARE  
PACKAGES TO YOUR CAMPER**

## Phone Calls

Campers are kept very busy, and activities take place all over the Camp's expansive 234-acre property. Coordinating camper calls home can be disruptive to the daily schedule. Except in extreme cases of homesickness or other family emergencies, campers will not be permitted to call home just to check in.

Our policy on phone calls is in the best interest of our campers. It has been our experience that phone calls home make camper adjustment more difficult and can increase homesickness. The Camp Office staff is happy to discuss camper concerns with a Parent or Guardian if requested.

Remember, we all want the best experience for your child, and we will work with you to help your child in every way feasible. You can get an update on your camper's experience by calling the Camp Office, and in case of emergency, a message can be given to your child or a return call from Camp staff can easily be arranged.

**We will always contact Parents or Guardians if there  
is a behavioral or medical concern with any camper**

If you must speak with your child urgently, please call the Camp Office during Summer business hours, from 8:30 AM to 6:00 PM. If a true emergency occurs after office hours, our 24-hour Emergency Answering Service will direct your call to the appropriate Camp staff member. Please only utilize the Emergency Answering Service in the event of a true emergency. **1-800-838-7416**

## Homesickness

The Camp staff makes every effort to help campers overcome homesickness by helping them learn to accept the natural feeling of missing family and friends. We keep our campers busy and engage them in many fun activities with their new friends. Homesickness occurs much less frequently than many Parents and Guardians would believe. In the event of extreme camper distress, a Parent / Guardian will be notified by Camp staff to discuss options. Most cases of homesickness occur within the first 24 hours of Camp and disappear after a few days.

## Here is some information that might help any Parents or Guardians concerned about homesickness

1. The more your child knows about what to expect at Camp before they arrive, the more likely they will adjust. Talk with your child about any aspects of the trip they may be concerned about. Watch our Camp videos together and look at photos of the Camp, many of which are on our Camp website and Facebook pages. If you attend an Open House, bring your child along so they can see the cabins, pool, dining hall, and anything else they might be curious about.
2. Talk with your child about the fun they will have at Camp, and set goals together. For example: learn to swim, try boating, climb the ropes course, catch a fish, make a new friend, etc.
3. Ensure your child that there is always someone they can reach out to with any issue, whether it is their Counselor, a trusted, supportive staff member, their Village Leader, the Camper Advocate, Camp Director, or Camp Nurse. We are all here to help.
4. Children can often sense Parent / Guardian concerns about them going away. Try to project positive aspects of sending your child to Camp, and let them know you expect them to have a great time.
5. Write to your child. In your letters, encourage them to try new things and have lots of fun while they're away.
6. Once your child is at Camp, keep letters from home upbeat and positive. Happy, encouraging letters are most beneficial. Avoid writing about how much you miss your child or sending bad news from home, as this can trigger homesickness.
7. If you receive a letter from your child expressing a desire to come home, please call the Camp Office and let us know. We will have our Camp Director check into the situation and call you to discuss your child's situation. Often by the time a letter is received home, the camper has acclimated to their new situation and is doing great!

The Camp Director or Camper Advocate will contact you if your child is ever severely distressed.

Our accrediting organization, the American Camp Association, has many great articles relating to homesickness and how to lessen the effects

# Transportation To & From Overnight Camp

You have two transportation options when enrolling your child in Overnight Camp: Providing your own transportation by car on the first and last day of the session, or having your child take the Northeast Philadelphia Camp Bus, which departs from the Tacony Academy Charter School parking lot at **1330 Rhawn Street, Philadelphia, PA 19111**.

Campers will be assigned one mode of transportation for arrival and departure, which you will choose when registering your child for Camp. No changes can be made without prior authorization from the Camp Office.

## 1. Northeast Philadelphia Camp Bus

- On the first day of your child's Camp session, the Camp Bus will depart from the Tacony Academy Charter School parking lot promptly at 11:00 AM.
- Please arrive at the school parking lot by 10:15 AM for check-in. **THE BUS WILL DEPART WITHOUT YOUR CHILD IF YOU ARE LATE ARRIVING AT THE PICKUP LOCATION.**
- The bus will return to the same location on the last day of the session, at approximately 3:00 PM. Buses will depart from Camp at 2:00 PM on the last day, so the buses' arrival time at Tacony Academy Charter School may vary depending on traffic. It usually takes 30-40 minutes for the bus to reach the school from Camp.
- Please be on time when picking up your child on the last day of the session. If you know you will be late arriving at the school, please call the Camp Office ahead of time.

## 2. Car Transportation

- If you bring your child to Camp in your vehicle, arrival time is between 10:30 and 11:30 AM. We are unable allow camper drop-offs before 10:30 AM, and cannot supervise any campers who arrive at Camp early.
- Pickup time at Camp on the last day of the session is 3:00 PM. Please be on time to pick up your camper. If you know you will be late arriving at Camp, please call the Camp Office ahead of time.
- For the safety of our campers, please wait in the parking lot to receive your child. Campers will be released to Parents or Guardians only.
- **PLEASE ADHERE TO THE 10 MPH SPEED LIMIT AT CAMP.** This is for the safety of the campers. Also keep in mind that Camp is a non-smoking facility.
- Any Parent or Guardian needing to pick up their child before the end of the session must notify the Camp Office at least 24 hours in advance.

This will be their arrival and departure method for the duration of their Camp session. No changes can be made without prior authorization from the Camp Office.

## 2. Lunch Letter

- Our subsidized Camp fees vary depending on both the program you select, and your child's lunch status in school. To receive discounted camper tuition, you must provide the Camp Office with a Proof of Lunch Status Letter from your child's school that includes your child's full name, and what lunch status they qualify for – either Free or Reduced Lunch. No letter is required for Regular Lunch.

**Please note:** Parents of children who attend **public school** in the Philadelphia School District can submit a copy of their child's report card for the current school year, and will automatically qualify for the Free Lunch rate. - **Immunization History:** You must submit your child's Immunization History along with Medical Form 2, at least four weeks prior to your child's session start date. **We require all campers to be fully vaccinated, including the Covid vaccine.** There are no exceptions or exemptions. Your child will be dropped from enrollment if we do not receive this form in time.
- **Vaccination Policy:** The Summer Camps at College Settlement will only be allowing Campers who have been fully vaccinated and can produce immunization records to that effect (signed off by a licensed physician) to attend Camp. This includes Covid vaccination. The Summer Camps at College Settlement's Vaccination Policy ("VP") is in accordance with all applicable federal, state, and local regulations. Additionally, the VP was constructed pursuant to guidelines set forth by the Montgomery County Department of Health, the American Academy of Pediatrics, and the Philadelphia Department of Health, among other sources.

# Health & Wellness at Camp

At least one Registered Nurse (RN) is on-site and on duty 24 hours per day while Camp is in session.

## Special Needs or Adaptations

We ask all applicants to inform us of any special needs or adaptations by noting it on the Camper Profile, Medical Forms, and by communicating with the Camp Director **AT LEAST 30 DAYS IN ADVANCE** of your child's session start date. We will endeavor to provide reasonable accommodations for special needs within our ability to do so. Please contact the Camp Office before enrolling to discuss what accommodations and levels of support may be available.

## Agency Caseworkers, Wrap-Arounds & TSS Workers

*In the following section, **Support Worker** is the Camp's common term for professional Therapeutic Support Service (TSS) worker, therapist, psychologist, counselor / caseworker, etc. who has been retained by the family to provide therapeutic support for a camper.*

1. No Support Worker will be permitted to interact with any camper before we obtain permission from the camper's Parent or Guardian.
2. For one-time visits: Parents or Guardians must notify the Camp Office that an agency is sending a Support Worker at least a week before their visit.
3. For ongoing visits: The Parent / Guardian or agency must notify the Camp Office of the intended visit schedule for the camper, and the name of the support worker, before the Camp session.
4. Support Workers should stop at the Camp Office with their agency identification before a visit and carry it with them when onsite.

Please remember that Camp is a physically and socially intense experience that may not be suitable for all children

## Illness or Injury at Camp

- o If a child needs basic medical attention, which will not adversely affect their stay at Camp, the Camp Nurse can provide such treatment.
- o The Parent / Guardian will be contacted immediately in case of an injury requiring doctor or hospital care, if they develop Covid-19 symptoms, or if they test positive on a rapid test. Should emergency treatment be required, the Camp Nurse and / or Camp Director will consult with the Parent or Guardian for further treatment and follow-up.
- o The Parent / Guardian will be contacted in the case of camper illness or injury requiring an extended stay in the Health Center (typically 3 hours or more). If a camper is unable to return to the program due to injury or illness that cannot be managed at Camp, the Parent

or Guardian will be contacted and asked to provide transportation for the child to return home for treatment and recuperation.

- o With the approval of the Camp Director and Camp Nurse, the child may return to Camp after they receive health clearance from a Licensed Physician. In the case of hospitalization for concussion, breathing emergency or other illnesses / injuries of concern, etc. the Camp Director and Camp Nurse can request that the camper stay home for 24 hours after release from the hospital. The Camp cannot be responsible for medical expenses after the camper has returned home.

**WE MUST BE ABLE TO CONTACT YOU OR ANOTHER DESIGNATED EMERGENCY CONTACT IN CASE OF AN EMERGENCY, 24 HOURS PER DAY.**

**IF YOU WOULD BE UNABLE TO PICK UP YOUR CHILD FROM CAMP WITHIN 2-3 HOURS NOTICE, YOU MUST ENSURE ANOTHER ADULT, LISTED AS AN EMERGENCY CONTACT TO WHOM YOUR CHILD MAY BE RELEASED, IS AVAILABLE TO DO SO. THERE ARE NO EXCEPTIONS TO THIS POLICY.**

## **Medication at Camp**

There are a number of guidelines we are required to enforce regarding medications at Camp.

- o **If your child attends Day Camp** and uses an asthma inhaler or an EpiPen, one should remain at Day Camp for the entire session. All medication must be in the original prescription container and checked in to the Day Camp staff during camper check-in. Please do not place any medication in the camper's bag, as it must be checked in.
- o **Campers at both Day and Overnight Camp** are NOT permitted to have medication of any kind in their possession, with the exception of emergency asthma inhalers and EpiPens if a Parent or Guardian requests they self-carry. Campers may not carry cough drops, nose sprays, multivitamins or medicated creams. Our Health Center is supplied with appropriate pediatric over-the-counter medication, which the Camp Nurse will dispense if necessary.
- o All prescription medication must be provided in their original container bearing a pharmacy label that displays the following information:
  - Camper's Full Name (Cannot be the name of a sibling, parent, etc.)
  - Prescription Number
  - Date Filled
  - Prescribing Physician's Name

- Medication Name and Strength
  - Directions for Use
- Medications will ONLY be dispensed by Camp Medical staff according to the directions listed on the prescription label.
  - We cannot accept pre-packed medications that are in daily dose packets or pillboxes, unless the pre-packing is completed by a recognized prescription service that meets the labeling requirements listed in the previous section. We are **LEGALLY UNABLE** to accept or administer medications if they are not in the original labeled pharmacy container.
  - We cannot accept expired medications.
  - We do not provide EpiPens or asthma inhalers. These are stocked in our First Aid kits for emergency use—however, if your child requires a prescription for these medications, you **MUST** send one to Camp with your child. The Camp Nurse will ensure that campers receive the dosages as prescribed at the proper intervals, and will always notify Parents or Guardians in the event of a medical emergency.
  - Medications are typically administered at mealtimes; breakfast, lunch, dinner, and evening snack. Evening medications are typically given at evening snack time—usually between 8:15 PM and 8:45 PM. All medications will be administered by the Camp Nurse or Assistant Camp Nurse, both of whom are licensed to administer medications.
  - Medication will be dispensed according to the directions provided by the authorized medical professional prescribing the medication. Send only enough medication for the duration of a child’s session. If an insufficient supply of medication is provided for the Camp stay, the Parent / Guardian will be notified and asked to bring or send additional medication to the Camp. Again, medications will be administered only if in the original container or bottle containing the information described above.

## Camper Medical Bills

The Camp’s financial resources are limited in the area of medical expenses. If an emergency occurs requiring special medical services, Parents or Guardians will be asked to submit the bill to their health insurance provider.

## Environmental Conditions

The outdoors offers a great playground for our campers, and we try to take every advantage of our natural Camp environment. However, there are some natural hazards associated with outdoor recreational programs, including the following:

- Poison Ivy or contact dermatitis
- Insect bites and stings
- Weather-related issues such as sunburn, heat rash, heat exhaustion, dehydration, etc.

- Seasonal allergens including pollen, ragweed, grass, etc.
- Activity related issues, including splinters, dry skin from pool chlorine, foot blisters, etc.

All of the above concerns are typically managed in our Health Center by our Camp Nurses. If any one of these conditions becomes extreme or is something beyond the Camp Nurse's ability to treat, you will be notified immediately.

## **Tick Bites**

Any child bitten by a tick will be seen by the Camp Nurse at the Health Center. A record will be made in the Health Log, and the Parent or Guardian will be contacted. Lyme Disease is an infection resulting from the bite of a deer tick. Not all deer tick bites result in Lyme Disease. If your child develops any of the Lyme symptoms within 1-8 weeks after Camp—circular, red rash, fatigue, headache, pain and stiffness in muscles and joints, slight fever, or swollen glands—please contact your child's doctor. Antibiotics are very effective in the early stages of Lyme Disease.

**A zero risk of injury at Camp is not achievable,  
and this should be understood by all participants**

# Behavior Management at Camp

The Summer Camps at College Settlement Behavior Management Policy includes a Camper Code of Conduct and several other guidelines Parents and Guardians must become familiar with.

## Camper Dismissals

The Camp Director reserves the right to dismiss any camper early, before the official end of the Camp session. This will occur if the camper's conduct and behavior are deemed, by the Camp Director, to be detrimental to the best interests of the camper or the Camp. Should this occur, the camper will be released only to a Parent or Legal Guardian whose signature appears on the Camper Registration. A Parent / Guardian or authorized Emergency Contact must be available at all times in case the camper needs to be picked up or brought home.

Summer camp requires cooperating in a group setting. Therefore, College Settlement strictly enforces a zero-tolerance policy for fighting. Our trained staff members supervise campers very closely and stress that physical violence is never acceptable at Camp. If you believe your child may have difficulty adhering to this policy, for any reason, please consider another camp. Parents and Guardians should assure their campers that if there is a conflict during their time here, they should inform Camp staff.

## Camper Code of Conduct

While at Camp, campers are expected to behave appropriately and help promote a safe, fun, and healthy environment through productive participation. The Camp staff will use a positive approach to discipline and will seek parental support to resolve behavioral issues as needed.

Parents and Guardians are responsible for ensuring their child understands the guidelines below. To help us achieve our goal of running a fun, safe program, it is important that both you and your child read and understand the Code of Conduct and agree to the following rules.

Parents and Guardians will be notified about any inappropriate behavior and will be contacted in the event their child must be sent home. It will be the Parent or Guardian's responsibility to arrange transportation for their child if this should occur. Campers sent home for behavior are not eligible to enroll in Camp programs again.

### The goals of the Camp Discipline Code are...

- To ensure the safety and well-being of all campers
- To ensure that all participants benefit from the outdoor learning experience
- To ensure that every camper has the opportunity to complete the program available
- To enable all youth to manage their social behavior
- To create a framework for a cooperative effort between campers and staff

### Campers will be responsible for...

- Their adult and peer relations
- Their compliance with Camp procedures and practices
- Wearing a mask when required to do so

## **The expectation for behavior at Camp is that campers will...**

- Follow the safety rules of Camp
- Cooperate with other campers and staff
- Respect the rights and property of others
- Listen to and follow instructions
- Participate in all activities with their group
- Not endanger themselves or others while at camp, emotionally or physically

## **Consequences of Poor Conduct**

*Every effort will be made to work with the camper so that they can remain at Camp.*

- The first time an incident contrary to the Code of Conduct occurs will result in a time-out situation with a verbal discussion/warning from Camp staff
- The second incident will result in a second time-out situation, a verbal discussion between Camp staff and the Camp Director, and communication with the Parent/Guardian to determine the best way to proceed
- The third incident will result in parental contact and possible dismissal from Camp, without refund of fees

## **Campers Who Display Chronically or Severely Disruptive Behavior**

*Such behavior may be grounds for dismissal from the Camp. Chronically disruptive behavior is defined as verbal or physical activity which may include, but is not limited to the following.*

- Behavior that requires constant attention from Camp staff
- Behavior that inflicts physical or emotional harm on children or staff (i.e., verbal or physically threatening behavior, fighting, etc.)
- Behavior that is destructive in nature
- Behavior that continually ignores or disobeys Camp Safety Rules, including mask-wearing
- Unauthorized leaving of Camp property

## **Situations Resulting in Immediate Dismissal from Camp**

*There are some situations that can result in immediate dismissal from Camp. In any of these situations, the Parent or Guardian will be called, and immediate dismissal is possible. These include the following.*

- Possession of illegal drugs or drug paraphernalia
- Smoking or possession of any tobacco/vaping products
- Possession of alcohol
- Inappropriate sexual behavior
- Possession or use of any kind of firearms, explosives, knives, or other weapons
- Any behavior that poses a threat to the safety of the camper or others
- Bringing pets to Camp

## **Camper Code of Conduct**

1. I will show respect to other campers and treat them as I would like to be treated.
2. I will show respect to staff and cooperate with their instructions.
3. I will be sensitive to the needs of others and not discriminate based on age, race, gender, ethnicity, sexual orientation, body type, or religion.
4. I will wear a mask when/if required and respect any social distancing rules.
5. I will not verbally abuse others by using inappropriate language, gossip, threats, teasing, exclusion, or harassment.
6. I will not physically abuse others by deliberately causing bodily harm to other participants or staff. I understand that pushing, kicking, hitting, or fighting are not acceptable and will not be tolerated.

## **Additional Information**

### **Visiting Camp**

There are no other visiting days while campers and staff are on site. Any unannounced visitors jeopardize the safety and security of our staff and campers, and any such visits will be considered trespassing. For information regarding our Spring Open Houses, please visit our website or call the Camp Office.

### **Camp Publications**

Unless otherwise indicated in writing, Parents and Guardians give permission to have photographs of their campers used in printed materials and social media for Camp promotional or fundraising purposes.

### **Photographs & Camper Updates**

Be sure to follow Summer Camps at College Settlement on Facebook and Instagram to see camper updates and session photographs. Camp does not employ a professional photographer, and the Camp Directors will upload as many photos as possible for each session. Individual camper photos and requests are not possible. Photographs for each session will also be uploaded to the Camp's website following each session.

### **Activities at Camp**

The Parent / Guardian authorization signature on the Camper Registration form gives permission for them to participate in all activities facilitated by the Summer Camps at College Settlement. If there is any reason for the camper to be restricted from any activity, it is the Parent or Guardian's responsibility to notify the Camp to discuss the restriction as early as possible before the beginning of their child's session.
