## Refund & Cancellation Policy

1. All required paperwork and final payments are due **four weeks** before your child's session start date. The Camp Office will cancel your child's registration if the required paperwork and payments are not received in time.
2. You can cancel your child's registration at any time before they are scheduled to attend. However, to receive a refund of your Registration Deposit, you must notify the Camp Office at least **two weeks** before your child's session start date. We will retain your deposit in the event of a last-minute cancellation or no-show.
3. You will not receive a refund if your child is dismissed due to a violation of the Camper Code of Conduct. College Settlement retains the right to dismiss any camper if deemed necessary.
4. Prorated refunds are available to campers who depart their session early for medical reasons. In this instance, refunds of Camp payments will be prorated for the days attended, minus the Registration Deposit.
5. If your child becomes ill or is seriously injured before arriving at Camp, please contact the Camp Office and we will connect you with the Camp Nurse. If necessary, and pending availability, we will attempt to reschedule your child's session.
