The Outdoor School program has a **60 person minimum** for all RESIDENTIAL groups in peak dates (*May, June, September, October*) and **40 person minimum** for March, April and November dates. Groups attending during peak season will be billed for a minimum of 60 students.

Day trips - we have a **40 person minimum** for all day trips unless the date can be shared with another school.

Options for avoiding the mandatory minimum fee include sharing trip date with another school or attending during "black out" dates for public schools such as PSSA testing and religious holiday dates.

**This does not apply to school districts booking multiple trips in a season.*

SCHOLARSHIPS We are able to offer our participating schools financial assistance to assist cover the fees for students who would otherwise not be able to afford to participate in their school trip. Please contact us PROGRAMS@COLLEGESETTLEMENT.ORG for details on how to apply for scholarships.
