

Shadow Cast

Looking out into the night
Shadow cast alluring eyes
Wanders like a lost soul in disguise

Fall from grace addiction reigns
Regrets are forged from lust and pain
Solitude befriends a life of lies

Sanity remains
Darkness starts to fade
Dignity becomes the light of day

Regrets now live in normalcy
Scars are formed yet still they bleed
Tendencies remain among the freed

Days renew the past mistakes
Fortitude replaces hate
All that once was blind now can see

Sanity remains
Darkness starts to fade
Dignity becomes the light of day

Now I'm free from all on the outside
Looking in upon a life once scorn
Solitude refrains
Darkness turns to gray
Truth will light the day once more
