

Screw You Cribbage – Crib Advantage

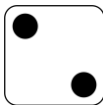

Opponents rows are Horizontal

Dealers rows/hands are Vertical

- Opponent rolls a 4.
- Row 4 part of Dealers Crib

- Dealer rolls a 2
- The 2nd card in the opponents 4th row now has the Crib Advantage.

- The 8 of Spades has the Crib Advantage.
- The Crib Advantage allows the 8 of spades to trade places with any card in opponents row 4.
- The dealer decides which card they would like to trade places with the 8 of Spades.
- If trading places does not improve the dealers hand's they can decline to trade places.
- Players scoring hands are now counted.
- If a 6 is rolled by either Player or Team there is no crib advantage.
