Website Cookie Policy

Introduction

This Cookie Policy explains how Granton Information Centre (GIC) uses cookies and similar technologies on www.gic.org.uk. The website is hosted using GoDaddy Websites + Marketing.

What are cookies?

Cookies are small text files stored on your device to help websites operate, remember preferences and improve your browsing experience.

Cookies we use

We use essential cookies for website functionality, security and to remember your cookie preferences. We do not knowingly use advertising or marketing cookies. If optional analytics cookies are introduced in the future, they will only be used after your consent has been obtained.

Managing cookies

You can accept or decline non-essential cookies using the cookie banner where available. You can also manage or delete cookies through your web browser settings.

Changes to this policy

We may update this policy periodically to reflect changes in legislation or website functionality.
