

# Madison Schoenfeld

JEWELRY DESIGNER

79 Hearthstone Drive  
West Milford, NJ 07480  
551-579-9376  
Madison.Schoenfeld@gmail.com

## BIOGRAPHY

My passion for jewelry began when I was a young child and throughout my life my interest has evolved from simple beaded pieces to full on bench jewelry. I find myself most drawn to organic forms in my jewelry, photography and ceramics. In addition I have begun integrating my strong interest in technology with the natural flow of my artistic expression.
