

# BC Agricultural Expo

September 20-23, 2024  
North Thompson Agriplex

## Sealin Creek Ranch - Heifer Award

1. I am an existing 4-H member in the Province of British Columbia.
2. I am exhibiting a female project at the current year's BC Agricultural Expo.
3. I understand I **must submit a letter** to the BC Agricultural Expo Committee prior to attending the fair stating, "If won, the heifer would be shown at the next year's BC AG Expo, currently being held in Barriere", although it does not need to be the 4-H member's main project.
4. Mr. Dan Speller will have first opportunity to buy back the animal at fair market value, if the member chooses to sell the project at any time.
5. This is an award that a 4-H member may only win one time.
6. The award will be chosen at BC Agricultural Expo.
