

Lincoln Rifle Club USPSA Safety Briefing 11/2018

1. Competitors are expected to have read and know the applicable match rules. They are posted at www.uspsa.org/rules. If you have a scoring issue, resolve it with the RO CRO. Otherwise, request the Rangemaster for a final ruling.
2. This is a **COLD RANGE**. Do NOT load unless given the, "Make ready" command by a Range Officer (RO).
3. Carry / cart your long guns reasonably vertical, chamber flag inserted, without muzzling yourself or others. Park carts into a berm / backstop.

If you drop a firearm, do not pick it up. Stand clear of the muzzle and summon an RO.
4. **Safe tables** are placed near all bays and are clearly marked with a sign.
5. **Trigger finger**: During a course of fire, your finger must be OUTSIDE of the trigger guard unless you are engaging a target. No warnings will be issued.
6. **Laws / Regulations**: Competitors are solely responsible for their compliance with all applicable laws and match rules. Eye & ear protection is required at all times on the range property. If you don't have any, contact the Match Director. Possession, consumption, or suspected influence of alcohol or drugs is prohibited. All competitors are expected to help tape targets, reset steel, and police brass.
7. **End of the Match: DO NOT** break down the stage until your tablet has been turned-in and you receive approval to proceed. Once done, put away all stage walls, props, and POLICE ALL BRASS before leaving.
