Lincoln Rifle Club Foundation

2026 Potluck Awards Dinner

SATURDAY, JANUARY 31ST, 2026

6:00PM TO 9:00PM

LINCOLN VETERANS MEMORIAL HALL

541 5TH STREET IN LINCOLN, CA 95648

This event is FREE for all Club Members and their families. No RSVP is necessary. The club will provide plates, utensils, and drinks. All we ask is that you bring a dish that can serve 8 people. If you cannot decide what to bring we offer the following suggestions:

If your last name begins with: A-F bring a main dish, G-M bring your favorite dessert to share, N-Z bring a salad, side dish or bread.

In addition to presenting awards, we will be holding a raffle for prizes including shooting accessories, firearms, and more. Those who have taken part in Club activities will have a chance to win the Participation Rifle.

We hope to see you there!

Happy New Year!

Happy New Year Everyone! We hope you all had a wonderful holiday season! The last few months of the year are always busy at the HQ office. After all the excitement of Annie Get Your Gun settled down, we jumped right into the holiday season and preparations for the New Year. The 5 Days of Christmas Sale, held during the second week of December, is one of the highlights of the season. This year we sold \$4,640 worth of Range Passes. This year's sales almost *doubled* the amount of passes we sold during our 2024 Christmas sale! Thank you to everyone who bought passes and all those who got the word out, we look forward to seeing how many new shooters those passes will bring to the Range going forward.

Also in December, we were finally able to roll out a new CCW Instructor scheduling portal on our website. For those unfamiliar, the Club hosts classroom and range space for independent CCW instructors. This is a huge change from the previous system where instructors would need to call the HQ office to check availability and schedule classes. The new system allows them to go online and schedule their classes through a scheduling portal built into the LRCF website - no middleman! The system has been in use for just under a month now and so far looks to be working great! If you are interested in using the Dillman Range for your classes, you can contact the HQ office at: admin@lincolnrifleclub.com. While we have no vacancies at the moment, we are always adding instructors to our waitlist.

The Lincoln Rifle Club Foundation's 2026 Annual Potluck Awards Dinner will be held on Saturday January 31st, and is moving to the Lincoln Veterans' Hall this year courtesy of our local CRPA chapter. Doors will open at 6:00 pm and all club members, friends, and family are welcome. As always this potluck dinner is free to attend, all we ask is that you bring a dish that can feed 8 people. We always get asked for recommendations as to what to bring so here are a few suggestions: If your last name begins with A-F, bring a side dish, bread, or salad. If your last name begins with G-M, bring a main dish, and N-Z, bring a dessert.

During our awards dinner, we hold a raffle for a wide variety of items including themed gift baskets, shooting accessories and supplies, various memberships to local shooting organizations, and even a few firearms! The main goal of this dinner is to celebrate the shooting accomplishments from the past year. Match Directors will be handing out awards to their top shoot-

ers and the LRCF Perpetual Awards will be presented to this year's winners.

The LRCF Board of Directors and Range Committee elections are just around the corner! Elections will take place at the Annual Business meeting on April 2nd, 2024. We have 4 seats on the Board up for reelection with a total of 5 available positions. Info on the Range Committee will be available soon. If you are interested in running for these positions, reach out to the office at admin@lincolnrifleclub.com. Keep an eye on your email for more information as we get closer to the meeting.

Thank you all for a fantastic 2025 and we look forward to another great year at the Range!

Thank you!
-HQ Staff

CHUCK RIGLICK *CMP MATCH DIRECTOR*

On Saturday December 20th, 2025 we held our last 2025 John C. Garand, Springfield, Vintage Foreign Military and Modern Military Rifle match. But don't worry, we will be back in 2026, holding our match the third Saturday of each month. We share the range with NRA High Power and the Trap Match. The range is closed to all other shooting until 1:00PM, so it is used for competitive shooting only.

Catching up with what happened in previous matches, since the last article in Kinetic Energy; our November 15th match, well nature gave us a real challenge in that the fog was so thick (how thick was it ??) It was so thick that we could only see out about 25 yards. The 100 yard and out was completely clouded. No black target centers visible. We waited until around 9:30 AM and started. For that ordeal, shooters got the awards (pins). Jaime

Bagtas shot a 265-2X with his M-1 which earned him a bronze pin.

James Carson was one point off from a bronze ion the Unlimited Modern Military category.

In the second relay (re-fire match) Jaime used a scoped AR in the Unlimited Modern Military class and shot a 280-9X for a bronze pin. Then James Carson shot his M-1 Carbine, which is a 40 shot match. He shot a score of 330-2X which earned a bronze Carbine pin.

Pretty good jobs for a foggy morning.

Then we come to our last 2025 match. This time James Carson used a British Mark I Enfield in .303 Cal. He shot an awesome score in prone slow fire, a 95-1X with that vintage bolt rifle! His offhand score just pulled him 4 points shy of a bronze pin. Jaime Bagtas shot his M-1 and shot a 98-3X in

KE Newsletter Jan & Feb 2026

-prone slow, 91-1X in rapid, and 88-0 offhand for a final of 277-4X. This was a Silver M-1 score. In relay two, Jaime shot a 283-9X for a bronze in unlimited modern military (scoped AR-15). James Carson still on the vintage track, used a Japanese Type 99 Arisaka 7.7X53mm in the second relay. His prone scores were very good. With a little more practice in offhand, James would definitely earn an award pin with this rifle.

To learn more about this match, contact me (Chuck) at cpriglick@yahoo.com, The CMP, or YouTube and search CMP John C. Garand matches.

See you in 2026. Merry Christmas and Safe New Years Eve.

CONVENTIONAL PISTOL

Conventional Pistol has begun with nine of our eleven matches still to shoot so there is plenty of time to join the fun. Conventional Pistol is a sixty-five round .22lr pistol match. We have new and experienced shooters, male and female, younger and more mature, with fathers/daughters, father/sons, husbands/wives and others participating.

We shoot the second, fourth and fifth Wednesdays of the month now through April. Relays are 2:30, 4:00, 5:30, and 7:00 at the indoor range. Hope to see you there.

Blessings,

Scotty Olin

THE HQ OFFICE***

RANGE MAINTENANCE DAY

On the first Saturday of every month, the Dillman Range closes for Range Maintenance Day. This is an excellent opportunity to earn hours towards your work credit requirement. Range Maintenance Day will begin at 8:00am at the Dillman range. We are always looking for volunteers to help complete projects out on the range. Different months might have different projects or tools needed, so keep an eye out for special announcements.

In lieu of attending our workdays, there are other opportunities to earn work credit towards your membership. If you have spare cardboard lying around, you can donate it to the Lincoln Rifle Club. Make sure the pieces are at least **14"x40"** and have no horizontal seams. You can just bring it by the Dillman Range and submit a picture of your cardboard to the office email (admin@lincolnrifleclub.com) and we will add work credit to your account.

LRCF SAFETY CLASS

The next LRC Safety Class/Member Orientation sessions will take place on **January 10th & February 14th** at the Headquarters Office located at 620 3rd Street, Suite 200 in Lincoln. Please call the office at (916) 434-0308 to enroll, and remember to bring your green Provisional Attendance sheet with you.

This class is one step to completing your Provisional Membership requirements and becoming a full LRC Member.

We hope to see you there!
