Hello

I'm Gary Maughan, your Club Safeguarding & Welfare Officer.

I relocated back to my native North East in 2018 and currently reside in Cleadon Village. I am married with three children and have three grandchildren.

Joining WGC in 2022, I was part of the group of volunteers who redesigned the front of the 12th green. In 2025 I joined the WGC Committee.

If things are concerning or bothering you, as your Club Safeguarding & Welfare Officer, I am available to listen and help where I can.
