# **WHITBURN GOLF CLUB CORPORATE MEMBERSHIP**

We are now offering an exciting range of corporate packages to suit all businesses and help them reach their target markets.

Whitburn Golf club is one of the most visited Golf Clubs in the North-East, hosting corporate golf days, many society golf days, charity golf days along with the casual visitors and those who visit for our excellent dining facilities plus our growing membership across all sections. We provide a fantastic platform for local businesses to promote their products and services to the thousands of people that pass through the golf club each year.

With our Corporate Memberships we will help your business through physical promotion and digital awareness via our various media channels.

Whether you are looking to build on existing client relationships, reach out to potential new ones or simply introduce a new company benefit for members of staff, we can help you with one of our Corporate Membership Packages suited to your specific requirements on a course that offers all year round golf making it real value for money.
