Hello,
I'm Gary Maughan your Club Safeguarding & Welfare Officer.
I relocated back to my native North East in 2018 and currently reside in Cleadon.

I have been a member of WGC for 4 years and was part of the volunteer team assisting the redesign of the 12th green front back in 2024.

If things are concerning or bothering you, as your Club Welfare Officer, I am available to listen and help where I can.
