## Add-ons

I have lived in Korea for 7 years before. I speak fluent Korean and have travelled extensively throughout Korea during all different seasons. Here are some of the add-ons that I'll be able to provide during your photography session with me:

Vehicle rental, hair & make-up, unique & hidden accommodation bookings, Korean costume rentals.

Should you be located in Seoul, I can help you plan a day trip out to where cherry blossoms look the best for your shoot as well.
