## DECEMBER

### A note from the director:

Hello Parents,  
We have officially made it to December! Can you believe it!

For those of you who have been with The Academy for a while, you know that December is one of our busiest months of the year! We have so many fun activities planned for the students this month in addition to our yearly Christmas Programs!

In this newsletter, you will find an image that you can send to your friends and family to invite them to your student's Christmas Program! I promise you it'll be the cutest program you see all season! Prepare to come early because parking and seating fill up quickly! I'll be sending out a call for help with chair set up in exchange for you having 4 reserved seats at the concert! First come, first served so be watching for that to land this week!

I hope you can take some time out of the busy season this month to remember that there is a God that loves you so much, that He sent His son into the world to die for YOU so that you would LIVE! Try not to let the hustle and bustle distract from the true meaning of Christmas this year!

**MERRY  
CHRISTMAS**

You are loved,

Andrea Covert
