About Company

At YOYO Leasing, we believe every space tells a story of dreams built, teams formed, and ideas that take flight.

Founded on August 18, 2022, our mission has always been simple: to make property leasing and management stress-free, transparent, and rewarding for everyone.

We provide coworking spaces, property leasing, management, and design-build services that bring both comfort and efficiency to modern businesses.

Whether you're a startup looking for your first office, or a property owner seeking reliable management, YOYO Leasing is your trusted partner — turning every square meter into a space that works for you.

OUR SERVICES

Project Planning and design

We specialize in translating ideas into tangible concepts that bring your project vision to life. Our conceptual design services focus on creating detailed and visually compelling sketches and designs that serve as the foundation for your project's success.

Commercial Leasing

Our services are designed to help businesses find the perfect spaces to thrive and grow. Whether you are a startup, an expanding company, or a multinational corporation, we offer tailored leasing solutions to suit your unique business needs.

Property Management

We aim to make property ownership stress-free and seamless for building owners. Our Property Management Services are designed to handle the day-to-day operations and maintenance of real estate properties, allowing owners to focus on other priorities while we ensure their investments are well-managed and thriving.

YOYO Coworking Cafe

We are more than just a coffee shop—it's a space where work and leisure blend seamlessly. Designed to cater to professionals, students, and entrepreneurs, our cafe offers a vibrant, productivity-friendly environment with premium amenities and an exceptional menu.
